FOREWORD

Welcome to Indiana State Teachers College,
Class of 1944!

We present this issue of the Student Handbook in hopes that it will provide you with the necessary information concerning the College, its traditions, history, customs, and its varied activities. If the Handbook helps you in solving the many problems which will confront you, if it answers some of the many questions you will have, then it has served its purpose.

Remember, what you learn in the classroom is most important, but that does not cover everything which college means. In addition, college should involve the formation of associations, the establishment of good habits, and the foundation of everlasting friendships which will be carried by you throughout life.

Become interested in one or more extra-curricular activities of the College. There are many organizations on the Campus which will develop you socially, mentally, and morally. By becoming affiliated with these organizations, you will be better qualified to enter the teaching profession.

Be friendly. It costs so little and is worth so much. "The only way to have a friend is to be one."

Please remember that no one person is greater than the College. Be natural in your actions, tastes, and habits, and you will be a credit to yourself, your family, and to Indiana State Teachers College.

Remember, "It's in the handbook."

DR. LEROY A. KING

PRESIDENT'S MESSAGE

Class of 1944, I heartily welcome you to Indiana!

The four years to which you are looking forward should be the happiest and most fruitful periods of your life, but the responsibility for your success rests largely upon your own shoulders.

Apply yourself faithfully; keep your personal life clean; make up your mind to repay in some tangible way those who have sacrificed to make possible for you these years of college life.

Indiana is proud of her close fellowship between students and instructors. Therefore, I ask you to accept the benefits which you derive from our advisory plan. Seek out your faculty adviser. He will guide and help you in your work, and it is his wish that you will consult him at any time about any problem which you may have.

I sincerely hope that your life here at Indiana will be one of enrichment, and that your career in the teaching profession will be enjoyable and profitable.

Cordially yours,

LEROY A. KING

HISTORY

From 1873 until 1927 this institution was organized as a State Normal School. In 1927 it became the State Teachers College at Indiana. Requirements for certification have gradually been raised with the result that all curricula are four years in length.

The college owns 34 acres of land, 23 of which are in the original campus. In the center of this campus is a historic oak grove about which are grouped the main buildings.

ALUMNI ASSOCIATION

Since the establishment of the school, Indiana has graduated more than 11,000 students from its various curricula and of this number 1300 have been granted degrees.

Alumni Associations are functioning in all parts of the country and they are definitely making valuable contributions to the college. Alumni Day and Homecoming are celebrated by class reunions and festivities in general. The President, Board of Trustees, Faculty, and students welcome the return of Alumni.

GRADING SYSTEM FOR THE STUDENT

Explanation of Grades

"A" indicates an excellent grade of work.

"B" indicates a good grade of work.

"C" indicates a satisfactory grade of work.

"D" indicates a low grade of passing work.

"F" indicates a failure and no credit shall be given for the course so marked until it has been repeated in the regular way.

"I" is given to students who because of illness or other entirely satisfactory reasons have been unable to complete the required work, but have been doing in general a satisfactory type of work. This mark must be removed within two months after the opening of the next semester that the student is in school or become a failure. Upon completing the required amount of work the student may receive any mark to which the teacher feels he is entitled.

Quality Points

A system of quality points has been established as follows:

A grade of "A" gives three quality points for each semester hour of credit so marked; a grade of "B" gives two quality points for each

semester hour of credit so marked; a grade of "C" gives one quality point for each semester hour of credit so marked; and a grade of "D" gives no quality points.

Application of Quality Points

1. There are required for graduation or for permission to do student teaching a number of quality points equal to the number of semester hours' credit taken up to that time.

2. As many quality points as semester hours of credit also are required:

- For admission to a fraternity or sorority
- For holding an office in any school organization

3. In general a "C" average, that is, one quality point for each semester hour of credit, is the minimum requirement for being considered in good standing as a member of the student body. After the first year of attendance this shall mean an average of 16 semester hours and a minimum of 16 quality points for each semester of attendance.

CLASS ABSENCE AND TARDINESS

Regular attendance is essential for satisfactory work. A student who is absent from class must bring an excuse from the Dean of Women, if a girl, or from the Dean of Men, if a boy. An unexcused absence means a mark of zero for the time missed.

Ample time is allowed for change of classes, thus making tardiness unnecessary.

TRANSFER OF CREDITS

Credit will be given students transferring from other accredited colleges in so far as these credits will fit into the curriculum chosen by the student in this college. No credit can be approved for any course in which the grade received was the lowest passing grade in the school in which the work was taken.

STUDENT ADVISORY SYSTEM

Every student is assigned to a faculty adviser who assists the student in keeping a check on his work and advises him in regard to his program, his activities, his scholarship, and other matters. Students are urged to consult with their advisers concerning any problems they encounter that they may better be enabled to make the necessary adjustments which are a part of college life.

LIBRARY INFORMATION

The College Library in Wilson Hall near North Gate, (Oakland Avenue entrance to the campus) will be open for visits of new and former students during registration week in order that everyone may early become acquainted with the new building and its pattern. New students are invited to come in groups. Volunteer guides will be glad to explain briefly plans for the use of the library.

Tentative hours for the first semester of the college year, 1940-1941, are:

Monday to Friday: 7:45-5:30; 7:00-9:00

Saturday: 7:45-3:00

There will be due notice of further extension of hours. All residents of Indiana as well as college students are invited to use the library on Saturday afternoons from two to five o'clock. Materials of the Historical Society of Indiana County will be housed in the library.

Books from the reserve book room are borrowed for over-night use at 8:15 P.M., daily from Monday through Friday and are returned not later than eight o'clock the following morning. A waiting list for circulation of books on Saturday will be maintained. See directions sheets on file at the library desk.

Books from the open shelves are circulated for two weeks unless otherwise labeled or restricted at the discretion of the librarian. Penalties are imposed for late return of reserve and open-shelf books and periodicals. See directions sheets distributed at the library desk.

The new library provides a number of well lighted and comfortable reading rooms and the co-operation of all students is invited in maintaining them as quiet, pleasant spots for serious study and recreational reading.

DEGREES

The degree of Bachelor of Science (B.S.) in Education and the Provisional College Cert-

ificate in the appropriate field is granted to all graduates of Indiana upon the completion of a four-year course. Eight curricula are offered as follows: Art, Business Education, Primary-Kindergarden, Intermediate, Home Economics, Music, and Rural.

PLACEMENT SERVICE

The services of the Placement Bureau are available to all students of the college who receive certification. Indiana's record of placement is one of the very best in Pennsylvania. The Placement Bureau has offices in the Laboratory School.

Dr. J. M. Uhler is in charge of the Placement Service.

ASSEMBLIES

College Assemblies are held weekly in the New Campus Auditorium. College Assemblies are usually held every Tuesday at 10:00 a.m. Students are urged to watch the daily bulletin and the INDIANA PENN for special Assemblies and dates.

To be well informed and to develop the co-operative attitude of a promising prospective teacher, it is desirable to make regular attendance a habit. While much outstanding entertainment is provided in assembly, its primary purpose is to reflect classroom activity and to supplement the work done in class by opportunities for developing sound appreciation of art, music, dramatics, and a fun-

damental knowledge of all the approaches to learning possessed by cultured people. Student participation in assemblies is encouraged. Regular attendance at class and assembly makes for scholarship and successful living.

ENTERTAINMENT COURSE

During the year the finest types of entertainments are provided for the students. Each semester there are brought to the campus distinguished lecturers and artists of the highest rank in music, drama, and the dance. These entertainments are available to the students at a small cost which is covered by the Student Activity Fee. Your "I" card admits you to these entertainments.

RADIO PROGRAMS

The College presents weekly radio broadcasts as a cultural contribution to the public.

COLLEGE VESPER SERVICES

The Vesper Services offer an opportunity for the students to gather together for a period of non-sectarian religious worship.

The services are conducted each Sunday evening by different campus groups. Religious questions are discussed from the viewpoints of the different groups.

These services have become an integral part of the religious life of every student.

Services begin at approximately 6:15 p.m.

and are over in time for the evening Church Service. Every student is urged to attend the Vesper Services.

FIRE DRILL

A fire drill is observed one day each month by all college personnel. This is required by state regulations. Fire drill directions are posted in each hall of the college buildings. Students are expected to act promptly according to directions. Students should become acquainted with the proper exit from any location in the buildings on the campus.

Dormitory students please note regulations for Resident Women on page 47.

Mr. George Miller is the College Fire Marshall.

HEALTH SERVICE

The College Infirmary is located on the fourth floor of John Sutton Hall. Students who become ill or who have been hurt are urged to report to the infirmary where competent registered nurses are always in attendance.

Physicians and surgeons are within easy reach. Information as to hours, etc., is posted in the different halls.

LOST AND FOUND

Students should report the loss of property in the dormitories immediately to the custodian of the building in which the articles were lost. Articles found should be handed to the

Dean of Men and to the Dean of Women. A general lost and found department is maintained at the telephone office.

COLLEGE POST OFFICE

The College Post Office is located on the first floor of John Sutton Hall. This is a branch of the City Post Office and is open each week day except Sunday. Mr. Paul Woodring is in charge of this service. Dormitory students please note regulations for Resident Women on page 39.

COLLEGE TELEPHONE OFFICE

This office is located on the first floor of John Sutton Hall. Addresses of the faculty members as well as the names and room numbers of the students may be obtained here. Telegrams are also received at this office for immediate delivery. Pay stations are located in John Sutton Hall. Dormitory students please note telephone service for Resident Women on page 39.

TENNIS COURTS

Tennis courts are open for play each week-day except Sunday. Students should consult with the Physical Education Department for permission and time schedule.

The following rules and regulations governing athletic competition of Pennsylvania State Teachers Colleges, have been approved by the Board of College Presidents and the State Superintendent of Public Instruction.

Section 1.

Section 2

Section 3.

A student to be eligible must have secured a passing grade in at least twelve (12) credit hours of work during the quarter preceding each respective sport. It is permissible for a college to have a system involving more frequent reports. In all cases exclusion from teams shall be for a period equal to the period covered by the report. Such period to be not less than three weeks in length.

Section 4.

No student who has competed under a false name or is receiving money or other valuable consideration, either directly or indirectly, for competing in athletic contests is eligible to take part in any contest.

Section 5.

No student shall be permitted to compete who did not enter his or her respective college on or before October 1st, in the first semester, or on or before February 20th in the second semester.

Section 6.

No member of a college team shall be permitted to engage in athletic activity or any other team in the same sport during the playing season in which he is participating on a team representing the college.

Section 7

At least four days before every official game eligibility lists, certified by the Presidents of the competing schools, shall be exchanged.

Section 8.

No student transferring from any four-year institution of collegiate rank, except from a regularly accredited Junior College, to a State Teacher's College shall be eligible for any intercollegiate competition until after a year of residence.

Where one year intervenes between attendance at an institution of collegiate rank and matriculation in a state teachers' college, a student so enrolled is not to be considered as a transfer and shall be eligible for participation in athletics.

Section 9.

The maximum number of hours which a student may be employed by a teachers' college shall be twenty hours per week, and the maximum amount of money per hour shall be thirty cents; provided, that in case of students who are not taking the regular amount of

school work a proportionate increase in the number of working hours is permissible; and provided further, that students employed by the Teachers Colleges for more than twenty per week are not eligible to compete in athletic sports. This regulation shall cover all types of payrolls under the direction of the college.

ATHLETIC BOARD

The Athletic Board determines the Varsity Athletic policy of the college. It is the function of this board to promote and administer the program of varsity athletics.

Policies relating to the general welfare of the athletics themselves are of special concern to the board. One of the chief objectives of this board is the enrichment of the varsity program to the extent that it will be made available to all students enrolled in the college.

ATHLETIC AWARD SYSTEM

The Varsity "I" is awarded in baseball, basketball, football, track, boxing, tennis, and wrestling for participation in at least one-half of the games and upon the recommendation of the coach.

Numerals are awarded to members of the squad who have been regular in attendance at practice and who have shown cooperation throughout the season.

Sweaters are awarded to each player after he has won his second "I" in the same sport.

Service awards such as gold footballs, basketballs, etc., are given to senior members of each varsity squad who have participated for three years, during which time attendance at practice has been faithful and at least one letter has been earned by participation in one-half or more of the games.

Team Managers and Cheerleaders and the Indiana Indian win numerals their first year. The Varsity "I" their second year and a jacket their third year of service.

Note: No athlete can earn more than one sweater regardless of the number of sports he has been in and the letters he has won.

Awards are symbolical of work well done.

INTRAMURAL SPORTS

The varsity and intramural athletic programs, improved and organized as they are today, offer many advantages to all students desiring to participate in them. It is wise for every college student to take part in a branch of athletics suited to his physical ability and needs. Many students are physically unable to participate in the more strenuous competitive program, but every student can find some activity to suit his physical capacity in the Intramural Program. A careful study of one's physical condition and needs, supplemented by the advice of a leader in the field, puts one in a position to make a wise choice from the various activities offered in the Intramural program.

The chief aims of the Intramural sports program as developed at Indiana are—

1. Athletics for present enjoyment and improvement of health.
2. To teach and train students in athletic activities in which they can participate in after school life as a profitable use of leisure time.
3. To develop habits of good sportsmanship and fair play.
4. To acquire a knowledge of the rules and skills required and to prepare students to organize and promote Intramural sports in the public schools.

Awards

Awards are given to three members of the senior class who have been most active in the Intramural program. These awards consist of beautiful Intramural jackets. The awards are based on a point system in addition to which the recipient must have proved his knowledge of major sports by the passing of tests on the rules and regulations of the games. The recipient must have served as an organization manager in addition to the above requirements.

The following sports are included in the Intramural Program:

- | | |

SONGS

The Beacon Light

In the ages long departed
 Slowly grew the need of light;
 Beacons now illumine each highroad
 Showing ways of Truth and Right.
 Years ago our Indiana
 Raised her tower to the sky
 Here a glowing beacon lifted
 Kindling hearts to purpose high.

CHORUS

Then it's hail to Indiana!
 From the East to boundless West.
 Never burned a beacon brighter,
 Never was a way more blest
 For the far off goal of learning;
 We who seek and catch her beam,
 Send it forth to darkened byways
 In an ever-widening stream.

Our forefathers found the trail here
 Blazed where red men softly trod,
 Patiently subdued the forest,
 Plowed and sowed the virgin sod;
 And at last from labors lessened
 Looked they upward for the light,
 Flaming from the beacon tower
 Where our college crowns the height.

 Music—Carolyn Gessler

Pennsylvania

Pennsylvania, my native state,
 To you we pledge our devotion.
 Pennsylvania, our loyalty is boundless as the
 ocean.

REFRAIN

Pennsylvania, Pennsylvania, strong and true
 Pennsylvania, Pennsylvania, hear our song to
 you.
 There is beauty in your mountains,
 There is peace upon your hills,
 And where e'er I roam
 My only home is Pennsylvania.
 Pennsylvania, we thrill with pride
 To be your loyal descendants,
 Pennsylvania, all hail to you,
 The foundation of Independence.

School Song

Come and join our song of triumph,
 Bring to Indiana's fame
 Laurels of each new endeavor
 That will glorify her name.
 Forward then for Indiana!
 Make these hills and valleys ring,
 Lift her crimson and her silver gray
 Honor to your Alma Mater bring,
 Come, ye sons and daughters of her heart
 Each to his own valiant part,
 Fight till you've won.
 Then, the strife 'of battle done,
 Sing, sing on for Indiana!

Evelyn Jones

Alma Mater

To our noble Alma Mater's name
 We, her children, sing a joyful lay,
 And to her a new allegiance pledge,
 That lives beyond a day.

REFRAIN

Sing, O, sing! Our Alma Mater's praise,
 Hail, O, hail! her color's gleaming hue!
 Give to her our homage and our love
 And to her name be true.

A prayer for her who sheltered us,
 A hope no child her name will stain,
 A cheer thrice giv'n with hearty voice,
 And now the sweet refrain.

Of loyalty are symbols twain,
 Her colors, crimson and the gray,
 "Dear Indiana Mother Fair,"
 The burden of our lay.

Words and music by
 Mrs. Hamlin E. Cogswell

Spirit of Indiana

On! On! On! On to victory,
 Everyone expects to see you win today.
 Fight to win! "Play the game square!"
 Always for your Alma Mater do and dare
 Now then go! Give them not a show,
 You have skill and daring, that we know.
 For not only will you score, but will add a
 few points more.
 Just to show them how we do at Indiana.

Indiana, don't you hear our cheer?
 That you'll honor us we have no fear.
 See your pennant floating o'er the field!
 Unto foemen you will never yield.
 You will hear us as we shout and sing,
 Other teams will know their fate,
 When they meet the "Red and Slate."
 It's the way we always do at Indiana.

Victory! Victory! Victory!
 Victory! Victory! Victory!

With your faces ever towards the foe.
 Pressing forward down the field you go!
 Victory! Victory! Victory!

Every man is finding every play,
 For 'tis written on your shield,
 "Unto foemen never yield."
 We will always do our best for Indiana.
