Dr. Patrick Mikesell Collection; Manuscript Group 232
Indiana University of Pennsylvania, Special Collection and University Archives
1 box; 1 linear foot

Biographical

This collection includes information and memorabilia collected by Dr. Patrick Mikesell who graduated from the Keith Laboratory School in 1956 and from Indiana State College (IUP) with a BSED in 1962. In 1975, Dr. Mikesell earned his doctorate from Pennsylvania State University. He was a Biology Professor at the Commonwealth of Virginia, Radford University.

Scope and Content

This collection includes memorabilia, scrapbooks, and documents that have been collected by Dr. Patrick (Pat) Mikesell. This memorabilia includes documents about the Indiana State Normal School (ISNS, later became IUP) and the Training School – his mother Anna Maria Hauxhurst, graduated with Jimmy Stewart from the Training School (later known as the Keith Laboratory School) on May 29, 1923 (please see the photograph below). Dr. Mikesell also attended the Keith Laboratory School (1954-1956) before going to Indiana State College (IUP).

For more information about the ISNS Training School or the Keith Laboratory School, see Record Group 19: University School.

Provenance

This collection was donated by Patrick Mikesell in 2018.

Restrictions

None, this collection is open and available for research. Property rights reside with Indiana University of Pennsylvania (IUP), and the IUP Special Collections and University Archives. Literary rights are retained by the creators of the records and their heirs.

For permissions to reproduce or publish, please contact the [Special Collections Librarian and University Archivist](#).

Processor

The collection was organized and the finding aid was updated by Harrison Wick on July 27, 2018.
