Historical Note

The Pennsylvania Commission for Women was established by Executive Order in 1974, by Governor Milton J. Shapp. The President's Commission on the Status of Women at IUP is part of a larger network of such commissions at all fourteen member universities of the Pennsylvania State System of Higher Education. While still a vehicle for change, today's Commission is an ardent advocate for health care, business and human rights legislation which encourages the formation of County Commissions for Women and facilitates coalitions among women's organizations across the State. Learn more about the commission by visiting Pennsylvania Commission for Women Website at: http://www.portal.state.pa.us/portal/server.pt/community/pcw_home/4350
