Allegheny Arboretum; Record Group 99
Indiana University of Pennsylvania, Special Collections and University Archives
1 Box; 1 Linear Foot

Scope and Content

This collection includes publications and information downloaded from the Allegheny Arboretum at Indiana University of Pennsylvania (IUP) website. The Allegheny Arboretum consists of the entire 354-acre campus, and it is a living museum devoted to the study, conservation, and enjoyment of trees, shrubs, and vines including 76 tree species. For current information visit the Allegheny Arboretum website, <http://www.iup.edu/arboretum/>

Provenance

Information in this collection was collected from the [Allegheny Arboretum website](#) and was donated by Jerry Pickering.

Restrictions

This collection is open for research.

Processor

The collection was organized and the finding aid was updated by Harrison Wick on June 9, 2017.
